

Partnering with the North Fair Oaks community for a brighter future through a comprehensive approach to improvement.

## ENGAGEMENT

*Engaging the community in planning new projects and initiatives.*

Community members have several opportunities to provide their input as the design details are defined for the Middlefield Road Redesign. Over 75 people attended the first community design workshop on September 30, 2015 to prioritize various aspects of the design, including sidewalk widths and other amenities. The 35 steering committee members, along with the design team, will ask additional questions regarding the street design at the next **community workshop on November 4<sup>th</sup>**. Please join the conversation!

## ACCOUNTABILITY

*Promoting individual accountability and enforcing existing laws.*

The County of San Mateo is committed to addressing key issues in North Fair Oaks, including illegal dumping and code enforcement:

- **Neighborhood Response Team (NRT):** The NRT is a multi-departmental partnership of the Sheriff's Office, County Counsel, Planning & Building Department, Environmental Health, and Public Works led by the County Manager's Office to coordinate and address priority issues for the North Fair Oaks community.
- **Code Enforcement Officers:** Three new code enforcement officers have been hired to work with residents to resolve issues within the community.
- **Report It! SMC:** In May 2015, the County launched *Report It! SMC*, an app for reporting illegal dumping in North Fair Oaks. Residents can download the app for free and report illegal dumping from their smartphones, or submit reports online at [www.seeclickfix.com](http://www.seeclickfix.com).

## VISION

*Bringing the vision of the North Fair Oaks Community Plan to life.*

The North Fair Oaks Community Plan was adopted by the Board of Supervisors in 2011 to bring a complete, vibrant community to the unincorporated area of North Fair Oaks. Visit [www.nfoforward.org](http://www.nfoforward.org) to learn about updates from the Public Art Workgroup, Zoning Workgroup, and how you can get involved!

## Shape the Future, Vote by Mail!

The upcoming election on November 3rd will be different from years past: every voter will receive their ballot through the mail. Voters benefit by being able to vote by mail or vote in person at a universal polling place on Election Day. There is one drop off location in each city that will be open until Election Day.

Locally, residents of the North Fair Oaks community, depending on jurisdiction, will vote for contests related to the Sequoia Union High School District and the San Mateo Community College District.

For details, visit: [www.shapethefuture.org](http://www.shapethefuture.org)

## Affordable Health Insurance!

Health insurance keeps you financially covered when you need it most. Many people qualify for financial help. Select County and State health coverage programs are available regardless of immigration status. Enrollment begins November 1st! Call (650) 616-2002 or stop by the Human Services Agency at 2500 Middlefield Road, Redwood City to learn more.
