

# North Fair Oaks **FORWARD**

A SAN MATEO COUNTY COMMUNITY PROJECT

## Help Design New Middlefield Road Parking Lot

Middlefield Road is known for its great food, shopping, and local businesses—and a lack of parking! President Warren Slocum and the San Mateo County Board of Supervisors purchased three properties to help reduce this

problem. And, now, San Mateo County staff are excited to share the plans to build a brand new **public parking lot** located on the corner of Middlefield Road and Second Avenue. We invite you to join us for a community meeting to provide your input on how the parking lot will look and function. Attendees will discuss different design options, as well as the use of parking meters, time limits, hours of operation, and more.

Join us on **Thursday, October 13 at 7:00pm** at the Fair Oaks Community Center, Multipurpose Room, located at 2600 Middlefield Road, Redwood City. We hope to see you there!

## Ride the Free Weekend County Parks Shuttle

The San Mateo County Parks Department now offers a **free** weekend park shuttle service with stops in East Palo Alto, Menlo Park, North Fair Oaks, and Redwood City, and takes riders to Edgewood Park and Wunderlich Park. For more info on the shuttle route and schedule, visit:

[www.SMCoParks.org/ParkShuttle](http://www.SMCoParks.org/ParkShuttle) or call 650-599-7200.

## Community Spotlight: Siena Youth Center Gears up for a New Year

This year, the Siena Youth Center welcomes 120 middle school and high school-aged youth to participate in its

many community-based leadership development programs. Siena Youth Center staff encourages youth to vote on all activities, including weekly sports nights, community service, and parent action meetings. They also look forward to camping trips, college visits, mentorship outings, the annual Bike Rodeo, and OYE Latino Youth Conference. With the young minds of the Siena Youth Center hard at work, the future is bright for North Fair Oaks.
